Screenshoot Hasil Tugas 1 React JS

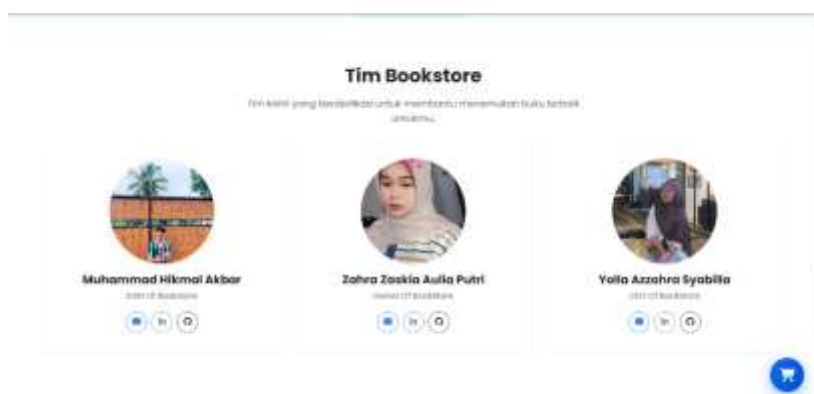

1. Halaman Utama/Home

2. Tampilan Buku/Keranjang

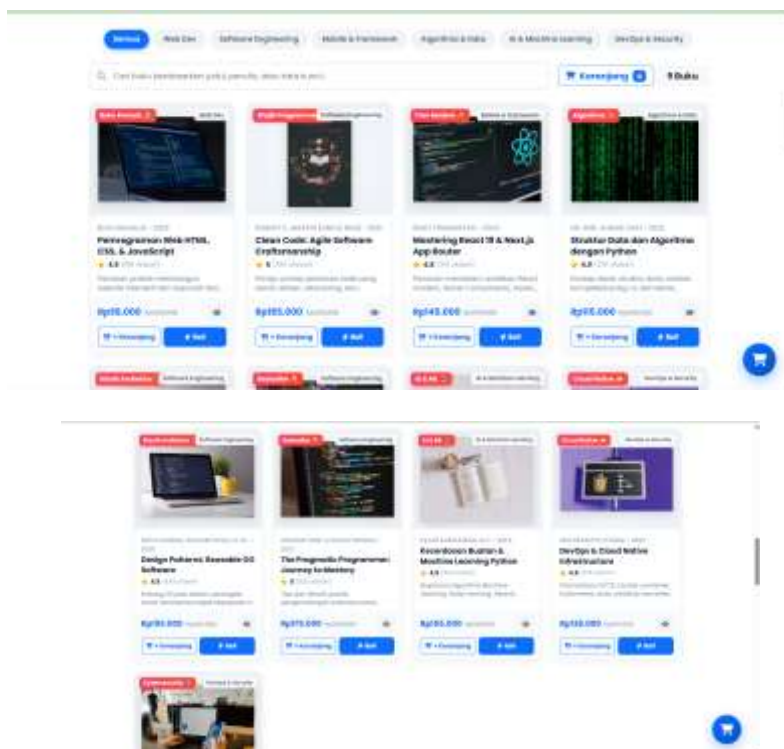

3. Tampilan Team

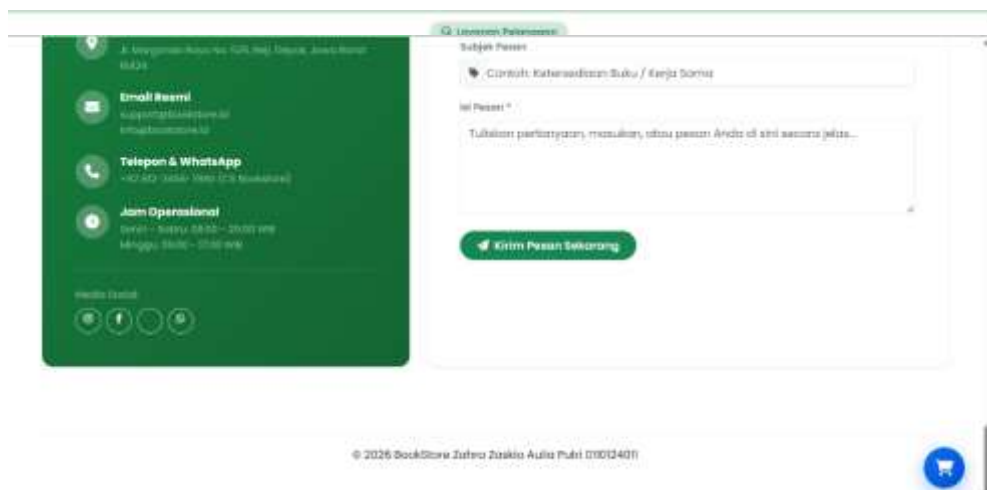

4. Halaman sebelum tambah buku

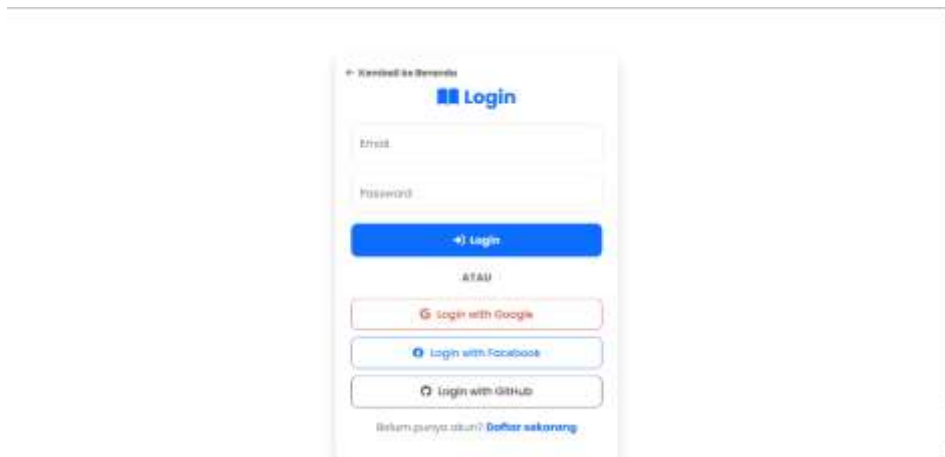

5. Halaman Sesudah Tambah buku

6. Halaman Kontak untuk Pengaduan

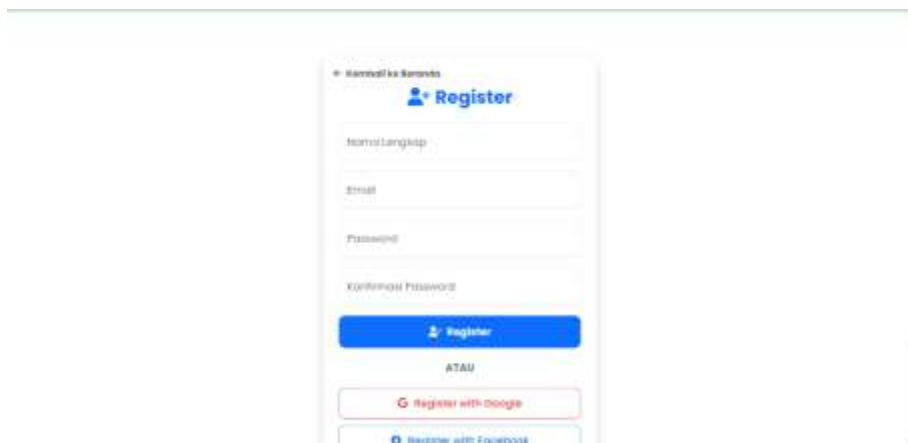

7. Halaman Login

The login page features a central white card with a light gray border. At the top left of the card is a link labeled "Kembali ke Beranda" with a left-pointing arrow. Below this is the "Login" title, preceded by a blue icon of three squares. The form includes two input fields: "Email" and "Password", both with light gray placeholder text. A prominent blue "Login" button with a white right-pointing arrow is positioned below the password field. Underneath the button is the word "ATAU" in all caps. Three social login options follow: "Login with Google" (with a red Google icon), "Login with Facebook" (with a blue Facebook icon), and "Login with GitHub" (with a black GitHub icon). At the bottom, a link "Belum punya akun? Daftar sekarang" is displayed in blue text.

8. Halaman Registerasi

The registration page features a central white card with a light gray border. At the top left of the card is a link labeled "Kembali ke Beranda" with a left-pointing arrow. Below this is the "Register" title, preceded by a blue icon of a person. The form includes four input fields: "Nama lengkap", "Email", "Password", and "Konfirmasi Password", all with light gray placeholder text. A prominent blue "Register" button with a white right-pointing arrow is positioned below the password field. Underneath the button is the word "ATAU" in all caps. Two social registration options follow: "Register with Google" (with a red Google icon) and "Register with Facebook" (with a blue Facebook icon).
